The easiest way of sending us your copy is via our new upload tool:

Once you have booked an advert you will receive an email with an upload link for your ad copy. Follow the link and upload your ad copy. This will then go through our pre-print production check. Should there be any issues we will contact you.

If you wish to make any amendments to your ad or wish to change the copy you can do this at any time as long as you ensure the deadline for the magazine has not passed. If you do miss the deadline the advert can still be amended, but your ad copy will not change until the next edition of the magazine if your ad has been booked on a series.
